

Big Pine Gun Club Zombie Apocalypse

WHEN: August 17, 2024; 8:30 am for Mandatory Safety Meeting

WHERE: Big Pine Gun Club Pistol Ranges

WHAT: Big Pine Gun Club 2024 Zombie Shoot: A Combination 3-Gun & Cowboy Action shoot over 3 AP, and 3 CAS stages.

WHY: To control Willimantic's recent infestation of the undead. To have a relaxing, fun shoot.

WHO: Safe shooters with \$15.00, a safe firearm and ammo. First time shooters and one-gun shooters especially desired. All children must be accompanied by an adult. BPGC members are reminded that the *BBQ* picnic is the same day.

EQUIPMENT: At least one safe firearm. If available, a pistol or a revolver, a shotgun, and a rifle. Shooters may use 2 handguns if safely carried in holsters. Shooters may wish to add a gun cart for ease in transferring firearms between stages. Any caliber may be used. Please bring your own ear & eye protection.

SCORING: All targets must be neutralized: paper targets are neutralized with two hits to the chest, or one to the head; knockdowns must be knocked down to count; steel plates need to be hit once. 22 LR, 410's, and kids just need to engage targets to count. Time will be given to competitors at the end of the stage but will not be recorded.

COURSE OF FIRE: Each of the six stages will be self-contained and timed for score. Stages will include targets more easily engaged with a handgun, and other targets more easily engaged with a shotgun or rifle. Only regular caliber handguns (22LR, 32, 38, 9mm, 38-40, 44-40, 45LC) or shotguns may engage the steel target. Each stage will consist of at least 20 shots to neutralize all targets. Targets will include steel plates, steel knockdowns, clay pigeons, clay pigeon pop-ups, and paper target.

The **BPGC** ranges will be closed to everyone at 4:00 p.m.
